## TERMS AND CONDITIONS

This program offers financial incentives for the purchase and installation of high-efficiency natural gas equipment. Applications will be processed on a first-come, first-served basis. The program will end when the budget is depleted. Funds are limited. To qualify for rebates, an applicant must meet the following eligibility requirements:

- ▶ Applicant must be a current Minnesota Energy Resources non-residential customer.
- ▶ Customer information must be completely filled out on application.
- ▶ To avoid delay, a final, itemized invoice for all material must be attached to this rebate application. All applications must be received by Jan. 31 of the year following installation.
- ▶ This program is subject to regulatory rules and orders. Minnesota Energy Resources reserves the right to change any portion of this program or to end this program without notice.
- ▶ Where applicable, energy efficiency ratings must comply with those listed in the Gas Appliance Manufacturers Association (GAMA) Directory.
- ▶ Heating equipment must meet minimum efficiency requirements as shown in the table below in order to qualify for the rebate.
- ▶ For Drain Water Heat Recovery, homemade systems are not eligible.
- ▶ For water heaters and DHR devices customer certifies that the water heater in the facility is fueled by natural gas.
- ▶ For all infrared heaters and equipment, the customer certifies that the unit is fueled by natural gas.
- ▶ Level II energy audit, the customer certifies that at least one of the recommendations was implemented that qualifies for a C/I rebate.
- ▶ For all audits, there is a limit of three buildings per customer per year.

## QUALIFYING EQUIPMENT FOR REBATES

Equipment or Service	Rebate	Equipment or Service	Rebate
<b>Heating and Water Heating System Equipment</b>

Convection Ovens	\$500 per unit	Rotisserie Oven - Infrared	\$500 per unit
Conveyor Oven	\$750 per unit	Salamander Broilers - Infrared	\$150 per unit

## COMMERCIAL AUDIT REBATE

Minnesota Energy Resources offers a rebate to non-residential gas customers for a commercial energy audit conducted at the service location. Businesses can sign up online at [www.minnesotaenergyresources.com](http://www.minnesotaenergyresources.com) or businesses can have an energy audit conducted by a certified energy auditor of their choice. To qualify for the Standard Level II audit rebate, businesses must participate in either the Minnesota Energy Resources Commercial Prescriptive, C/I Technologies or Custom Rebate program by receiving a rebate for equipment or energy measures installed. The energy audit must be paid in full to the auditing company and a complete copy of the audit must accompany the rebate application. The audit rebate will be processed in unison with the approved Prescriptive Rebate application.

### TYPE OF AUDIT

Level I	50% of audit cost up to \$250
Level II	50% of audit cost up to \$400

### REBATE AMOUNT (NON-PROFIT, SCHOOL OR GOVERNMENT)

100% of audit cost up to \$500
100% of audit cost up to \$800

### VERIFICATION

The sales receipt indicating date of purchase, dealer/contractor name, manufacturer name and model number of equipment must accompany the rebate application. Incomplete applications will be delayed. Minnesota Energy Resources reserves the right to verify sales receipts and installations. After approval, please allow four to six weeks for delivery of the rebate check.

### TAX INFORMATION

Rebates may be subject to federal and/or state income tax reporting. Applicant is responsible for contacting a qualified tax advisor to determine tax liability. Minnesota Energy Resources is not responsible for any tax consequences of the Minnesota Energy Resources rebate program.

### DISCLAIMER

Minnesota Energy Resources does not guarantee that installation of equipment qualifying for rebates will result in reduced energy usage or demand, or in cost savings. The Customer will hold harmless Minnesota Energy Resources and its officers, directors, shareholders, agents, employees and representatives from all claims liabilities, fines, interest, costs, expenses and damages incurred by the Customer, for any damage, injury, death, loss or destruction of any kind of persons or property, to the extent the damage, injury, death, loss or destruction arises out of or is related to the conduct, negligence, willful misconduct, misrepresentation, breach of warranty or other breach of this rebate form on the part of Minnesota Energy Resources.
