**Please read and answer question.** The Minnesota Office of Energy Security requests that Minnesota Energy Resources track the following information for statistical purposes.

1. Find the household size on table at right.
2. Determine your gross annual household income.
3. Is your household income above or below the amount corresponding to your household size in this table?

# of People in Household	Household Annual Income
1	\$21,184
2	\$27,702
3	\$34,220
4	\$40,738
5	\$47,256

PLEASE CIRCLE ONE:    Above    Below
