# Commercial/Industrial Rebate Programs

Installing energy-efficient technology is a smart way to lower your energy bills. Whether it's **new construction**, **replacement**, or **retrofit** projects, **Commercial/Industrial Rebate Programs** from Minnesota Energy Resources are your chance to save big.

Rebates are available for furnaces, heat recovery ventilators, efficient HVAC systems, hot water space heating boilers, and more. Not only do you get the rebates, you'll reduce energy use and **lower your monthly bills**.
